

BLACK BIRCH

# The right place. The right time.

*“Having raised 6 kids as 26-year residents of Harvard, MA, it was time to downsize. Concord was the right location.”*

Most days, Rob travels into Cambridge where he manages a software team. Karen, a former teacher and currently a tutor, has been a 17-year member of the Thoreau Club, enjoying tennis and exercise.

Karen especially loves meeting new people and together the Kennas relish forming new neighborhood friendships. So feel free to drop in and say “hi!”
